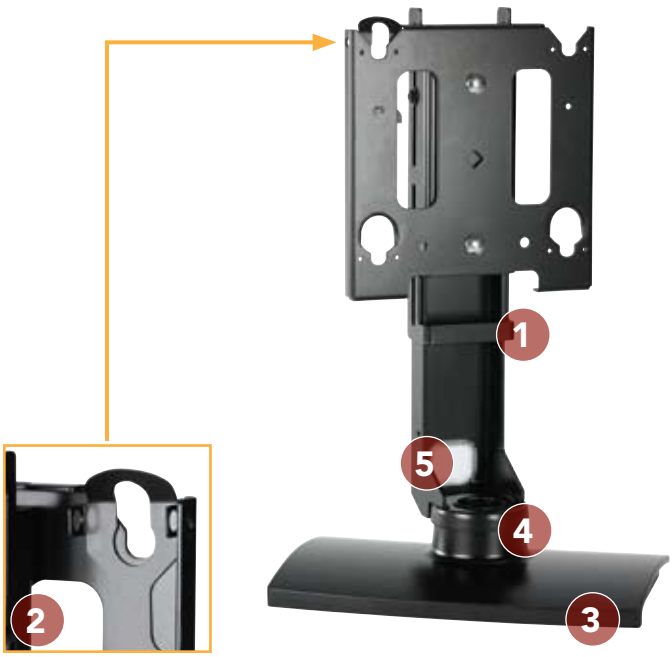
MSS™ ▫ 30 - 50" TABLE STAND



FEATURES

1. **TELESCOPING HEIGHT ADJUSTMENT**
   Integrated knob provides tool-less telescoping adjustment from 19.2" (46.7 cm) to 24.5" (62.2 cm).

2. **CLICKCONNECT™ TECHNOLOGY**
   PATENT-PENDING
   An audible click confirms flat panels are locked in place. Easy to connect/disconnect - no tools needed!

3. **BOLT-DOWN SECURITY**
   Optional free-standing with bolt-down capability for permanent installations and security.

4. **SMOOTH SWIVEL**
   Smooth swivel up to 45° in either direction. Optional stops at 15°, 25° and 35°.

5. **CABLE MANAGEMENT**
   Internal routing pathways conceal cables while allowing cables to exit through back of stand or down grommet hole.
